EXCLUSIVELY ECO-STAR!

The ECO-Star (EC130), made by Airbus Helicopters, is the safest and most comfortable tourism-based helicopter in the world. Maverick Helicopters is the only operator in the Hawaiian Islands to exclusively offer ECO-Star helicopters.

BENEFITS OF THE ECO-STAR

ECO-Star helicopters feature at least a 23% larger cabin than other models flown in Hawaii, providing more comfort and space. Wraparound windows throughout provide superior external visibility.

The ECO-Star helicopter features a low noise Fenestron tail rotor that reduces outside noise by 50%, enhancing the customer experience and limiting the effects on nature.

THE MAVERICK DIFFERENCE

- Maverick Helicopters has the top safety record of any tourism-based aviation company in the world.
- Maverick Helicopters has received the FAA's distinguished Diamond Award for eight consecutive years.
- Maverick Helicopters operates the largest and youngest fleet of ECO-Star aircraft in the world.
- Greet your pilot in our private terminal featuring comfort seating and a boutique gift shop.
- With safety being paramount, guests are accompanied to the resting helicopter by their pilot.
- Passengers will be assisted in and out of the aircraft by their pilot ensuring comfort and safety for all.
- Upon conclusion of each flight, every helicopter is cleaned and refreshed prior to the next excursion.
- Annually, Maverick Helicopters flies more than 250,000 guests at its various operations.
- Maverick Helicopters has invested more than \$100 million in nearly 50 Quiet Technology helicopters in its fleet.
- Helicopter experiences also available in Las Vegas, Kauai, Grand Canyon South Rim and Grand Canyon West Rim.
